A corrigendum on

[Application of visual placement of a nasojejunal indwelling feeding tube in intensive care unit patients receiving mechanical ventilation](#)

by Chen, Y., Tian, X., Liu, C., Zhang, L., Xv, Y., and Xv, S. (2022). *Front. Med.* 9:1022815.
doi: 10.3389/fmed.2022.1022815

In the published article, there was an error in the legend for [Figures 1A, B](#) as published. [Figure 1](#) describes the system used in a visible group. However, the published [Figures 1A, B](#) incorrectly shows a blind group. The corrected legend appears below.

The corrected [Figure 1](#) appears below.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
