KEYWORDS

community-acquired pneumonia, adiponectin, body mass index, mortality, readmission

A corrigendum on

[Adiponectin as a predictor of mortality and readmission in patients with community-acquired pneumonia: a prospective cohort study](#)

by Dungu, A. M., Rysør, C. K., Hegelund, M. H., Sejdic, A., Jensen, A.V., Kristensen, P. L., Krogh-Madsen, R., Faurholt-Jepsen, D., and Lindegaard, B. (2024). *Front. Med.* 11:1329417. doi: 10.3389/fmed.2024.1329417

In the published article, there was an error with affiliation 2. Instead of “Department of Endocrinology and Nephrology, Copenhagen University Hospital - North Zealand, Copenhagen, Denmark”, it should be removed. Inclusion of this affiliation was an error.

In the published article, there was an error regarding the affiliations for Rikke Krogh-Madsen. As well as having affiliations 4, they should also have “*Department of Clinical Medicine, University of Copenhagen, Copenhagen, Denmark*”, affiliation 3.

In the published article, there was an error regarding the affiliations for Daniel Faurholt-Jepsen. As well as having affiliations 5, they should also have “*Department of Clinical Medicine, University of Copenhagen, Copenhagen, Denmark*”, affiliation 3.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
