A Corrigendum on

Knowledge and thresholds for palliative care and surgery among healthcare providers caring for adults with serious illness

by Juan, D. W. K., Ng, I. A. T., Wong, L. C. K., Fong, W. J., Lee, P. P., Lie, S. A., Zhou, J. X., Cai, M., Ong, J. C.-A., Seo, J. C. J., Chia, C. S., and Wong, J. S. M. (2024). *Front. Med.* 11:1351864. doi: 10.3389/fmed.2024.1351864

In the published article, there was an error in affiliation 6. Instead of “SingHealth Duke-NUS Oncology Academic Clinical Program, Duke-NUS Medical School, Singapore, Singapore”, it should be “SingHealth Duke-NUS Surgery Academic Clinical Program, Duke-NUS Medical School, Singapore, Singapore”.

In the published article, there was a mistake in the Funding statement. The whole paragraph under Funding statement is incorrect. The correct Funding statement appears below.

Funding

The author(s) declare financial support was received for the research, authorship, and/or publication of this article. This research was supported by the National Medical Research Council (NMRC) through the SingHealth PULSES II Centre Grant (CG21APR1013). The funder was not involved in the study design, collection, analysis, interpretation of data, the writing of this article or the decision to submit it for publication.

In the published article, there was a mistake in the **Conflict of interest** statement. Instead of “The authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.” the correct statement should be:

Conflict of interest

SL, JZ, MC, JO, JS, CC, and JW are employed by SingHealth.

The remaining authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.

Publisher's note
