In the published article, there was an error in the Funding statement. The Ministry of Health funding information is incomplete. It originally stated: "The author(s) that declare financial support was received for the research, authorship, and/or publication of this article. This research has been supported by 5×1000 2021 funds and the Ministry of Health 2023–2024 project funds." The correct Funding statement appears below.

Funding

The author(s) declare financial support was received for the research, authorship, and/or publication of this article. This research has been supported by 5×1000 2021 funds and the Ministry of Health, Ricerca Corrente 2024 deliberation n. 91/2024 funds.

In the published article the following disclaimer was missed:

Author disclaimer

The authors affiliated to the IRCCS Istituto Tumori “Giovanni Paolo II,” Bari are responsible for the views expressed in this article which do not necessarily represent the Institute.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.

Publisher’s note
