A Corrigendum on

Gut Microbiota as an Objective Measurement for Auxiliary Diagnosis of Insomnia Disorder
by Liu, B., Lin, W., Chen, S., Xiang, T., Yang, Y., Yin, Y., et al. (2019). *Front. Microbiol.* 10:1770.
doi: 10.3389/fmicb.2019.01770

In the original article, there was an error in the article title. There was typo in our accepted research article. The title of the article was “Gut Microbiota as a Subjective Measurement for Auxiliary Diagnosis of Insomnia Disorder.”

The word “subjective” should be “objective.” Thus, the correct title is “Gut Microbiota as an Objective Measurement for Auxiliary Diagnosis of Insomnia Disorder.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
