The revised Data Availability Statement is below.

Data Availability Statement

Genome assemblies and raw data are available at GenBank under the BioProject PRJNA642311. Amplicon sequencing data are available under the BioProject number PRJNA648868. The code used for the all bioinformatic analysis and complete results of each are found in: https://github.com/DianaOaxaca/Weissella_analysis.git.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
