A corrigendum on Emerging microfluidic technologies for microbiome research

by Yu, Y., Wen, H., Li, S., Cao, H., Li, X., Ma, Z., She, X., Zhou, L., and Huang, S. (2022). *Front. Microbiol.* 13:906979. doi: 10.3389/fmicb.2022.906979

In the published article, there was an error in the Funding statement. [The funding statement for the National Key Research and Development Program of China (2020YFA0908803) was incorrectly listed at the end of the paragraph]. The correct Funding statement appears below.

Funding

This work was supported by the National Key Research and Development Program of China (2020YFA0908803), National Natural Science Foundation of China (31971350 and 32100032), Basic and Applied Basic Research Foundation of Guangdong Province (2020A1515110846), and Strategic Priority Research Program of the Chinese Academy of Sciences (XDPB17 and XDPB18).

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
