Escherichia coli, carbapenemase, molecular epidemiology, genetic characteristics, *bla_{NDM}* gene

A corrigendum on

Molecular epidemiology and comparative genomics of carbapenemase-producing *Escherichia coli* isolates from 19 tertiary hospitals in China from 2019 to 2020

by Ko, W., Tseng, S., Chou, C., Li, T., Li, R., Zhang, Y., Li, Y., and Lv, Y. (2023). *Front. Microbiol.* 14:1056399. doi: 10.3389/fmicb.2023.1056399

In the original article, there was a typo error in the Author's List section. The author's name was incorrectly written as "Wehsin Ko." The correct spelling is "Weihsin Ko." The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
