KEYWORDS

arbuscular mycorrhizal fungi, sustainable agriculture, *Daucus carota*, disease management, *Meloidogyne incognita*, vermicompost

A corrigendum on

[From soil to plant: strengthening carrot defenses against *Meloidogyne incognita* with vermicompost and arbuscular mycorrhizal fungi biofertilizers](#)

by Ahamad, L., Bhat, A. H., Kumar, H., Rana, A., Hasan, M. N., Ahmed, I., Ahmed, S., Machado, R. A. R., and Ameen, F. (2023). *Front. Microbiol.* 14:1206217. doi: 10.3389/fmicb.2023.1206217

In the published article, there was an error in affiliation 2. Instead of “Department of Biosciences, University Center for Research and Development, Mohali, Punjab, India,” it should be “Department of Biosciences, University Center for Research and Development, Chandigarh University, Mohali, Punjab, India.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
