## KEYWORDS

gastric cancer, circular RNA, computational approach, circRNA biomarker, circRNA-miRNA-gene interaction

## A Corrigendum on

### Identification of circRNA biomarker for gastric cancer through integrated analysis

by Hossain MT, Li S, Reza MS, Feng S, Zhang X, Jin Z, Wei Y and Peng Y (2022). *Front. Mol. Biosci.* 9: 857320. doi: 10.3389/fmolb.2022.857320

In the published article, there was an error in the **Funding** statement. The grant number statement for the Shenzhen Basic Research Fund was displayed as “RCYX2020071411473419.” The correct grant number is “RCYX20200714114734194.” The correct Funding statement appears below.

“This work was partly supported by the National Key Research and Development Program of China under Grant No. 2018YFB0204403; Strategic Priority CAS Project XDB38050100; National Science Foundation of China under grant no. U1813203; the Shenzhen Basic Research Fund under grant nos JCYJ20200109114818703, RCYX20200714114734194, and JSGG20201102163800001; CAS Key Lab under grant no. 2011DP173015 (YW). We would also like to thank the funding support from the Youth Innovation Promotion Association, CAS to YW. This work is also supported by the National Foundation of Science (82172946) to ZJ; the National Foundation of Science (82173290) to XZ; Shenzhen Basic Research Fund (JCYJ20190808163801777) to YP.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
