CITATION

Smith MM and Moran GR (2024),
Corrigendum: Assigning function to active
site residues of *Schistosoma mansoni*
thioredoxin/glutathione reductase from
analysis of transient state reductive
half-reactions with variant forms of the
enzyme.
Front. Mol. Biosci. 11:1455473.

A Corrigendum on

Assigning function to active site residues of *Schistosoma mansoni* thioredoxin/glutathione reductase from analysis of transient state reductive half-reactions with variant forms of the enzyme

by Smith MM and Moran GR (2023). *Front. Mol. Biosci.* 10:1258333. doi: 10.3389/fmolb.2023.1258333

In the published article, there was an error in the **Funding** statement. A **Funding** statement was not included. However, the researchers who carried out the work were supported by federal grant funds. The correct **Funding** statement appears below.

Funding

The author(s) declare that financial support was received for the research, authorship, and/or publication of this article. This research was supported by National Science Foundation grant 2203593 to GM.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
