A Retraction of the Original Research Article

ZFP36 binds with PRC1 to inhibit tumor growth and increase 5-Fu chemosensitivity of hepatocellular carcinoma

by Chen W, Chen M, Zhao Z, Weng Q, Song J, Fang S, Wu X, Wang H, Zhang D, Yang W, Wang Z, Xu M and Ji J (2020). *Front. Mol. Biosci.* 7:126. doi: [10.3389/fmolb.2020.00126](https://doi.org/10.3389/fmolb.2020.00126)

The journal retracts the 14 July 2020 article cited above.

Following publication, concerns were raised regarding the integrity of the images in the published figures. The authors failed to provide a satisfactory explanation during the investigation, which was conducted in accordance with Frontiers' policies.

This retraction was approved by the Chief Executive Editor of Frontiers. The authors received a communication regarding the retraction and do not agree to this retraction. This communication has been recorded by the publisher.
