KEYWORDS

MIS-C multisystem inflammatory syndrome in children, proximal tubule injury, bladder debris, Fanconi syndrome, kidney injury, SARS – CoV – 2

A Corrigendum on:

Case report: Multisystem inflammatory syndrome in children with associated proximal tubular injury.

By Orsi SM, Pepino C, Rossoni L, Serafino M, Caorsi R, Volpi S, Palmeri S, Faragli A, Lugani F, Ghiggeri GM, Marco G, Verrina EE, La Porta E and Angeletti A (2023) *Front. Nephrol.* 3:1194989. doi: 10.3389/fneph.2023.1194989

In the published article, there was an error regarding the affiliation for Serena Palmeri. As well as having affiliation 3, they should also have affiliation 1, *Department of Neuroscience, Rehabilitation, Ophthalmology, Genetics, Maternal and Child Health, University of Genoa, Genoa, Italy*.

In addition, in the published article an author name was incorrectly written as “Serena Palmieri”. The correct spelling is “Serena Palmeri”.

The authors apologize for these errors and state that they do not change the scientific conclusions of the article in any way. The original article has been updated.
