A Corrigendum on

Translation, Cultural Adaptation, and Validation of the Hiligaynon Montreal Cognitive Assessment Tool (MoCA-Hil) Among Patients With X-Linked Dystonia Parkinsonism (XDP) by Aliling, N. B., Rivera, A. S., and Jamora, R. D. G. (2019). *Front. Neurol.* 10:1249. doi: 10.3389/fneur.2019.01249

In the original article, there was a mistake in *Supplementary Figure 1 and Supplementary File* as published. **The MoCA-Hil instructions were erroneously published as Supplementary Figure 1. This is supposed to be the MoCA-Hil tool. MoCA-Hil is under copyright of Z. Nasreddine MD and is reproduced with permission. Copies are available at www.mocatest.org. In addition, the published MoCA-Hil instructions which appear under *Supplementary File* did not follow the prescribed format for reproduction. The corrected *Supplementary Figure 1 and Supplementary File* have been published.**

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
