In the published article, there was an error in the Funding statement. The funding from the Ministry of Health, Labor and Welfare was mistakenly omitted. The correct Funding statement appears below.

Funding

The authors declare financial support was received for the research, authorship, and/or publication of this article. This work was supported by a grant for research on intractable diseases from the Ministry of Health, Labor and Welfare, Japan (No.23FC1037).

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
