Erratum: Latent space improved masked reconstruction model for human skeleton-based action recognition

Frontiers Production Office*

KEYWORDS

human skeleton-based action recognition, variational autoencoder, vector quantized
variational autoencoder, masked reconstruction model, self-supervised learning

An Erratum on

[Latent space improved masked reconstruction model for human
skeleton-based action recognition](#)

by Chen, E., Wang, X., Guo, X., Zhu, Y., and Li, D. (2025). *Front. Neurobot.* 19:1482281.
doi: 10.3389/fnbot.2025.1482281

Due to a production error, the date in the DOI for this published article was erroneously
written as “2024” instead of the correct version “2025” in the citation section and PDF file
header. The correct DOI for this published article appears below:

doi: 10.3389/fnbot.2025.1482281

The publisher apologizes for this mistake. The original version of this article has
been updated.
