## KEYWORDS

functional connectivity, structural connectivity, temporal lobe epilepsy, structural–  
functional coupling, human brain

## A Corrigendum on

### [Structural–functional coupling abnormalities in temporal lobe epilepsy](#)

by Huang, X., Du, Y., Guo, D., Xie, F., and Zhou, C. (2023). *Front. Neurosci.* 17:1272514.  
doi: 10.3389/fnins.2023.1272514

In the published article, there was an error in the Funding statement. The funding information “the Fundamental Research Funds for the Central Universities of Central South University” was erroneously excluded from the Funding statement. The correct Funding statement appears below.

## Funding

The author(s) declare financial support was received for the research, authorship, and/or publication of this article. This research was funded by the Fundamental Research Funds for the Central Universities of Central South University, National Key Program of China (No. 2022YFC2503804), National Natural Science Foundation of China (Nos. 82071461 and 82271503), and Natural Science Foundation of Hunan Province (No. 2021JJ31060).

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
