## KEYWORDS

actigraphy, black cumin, insomnia, non-restorative sleep, non-refreshing sleep, *Nigella sativa*, thymoquinone

## A corrigendum on

Exploring the short-term influence of a proprietary oil extract of black cumin (*Nigella sativa*) on non-restorative sleep: a randomized, double-blinded, placebo-controlled actigraphy study

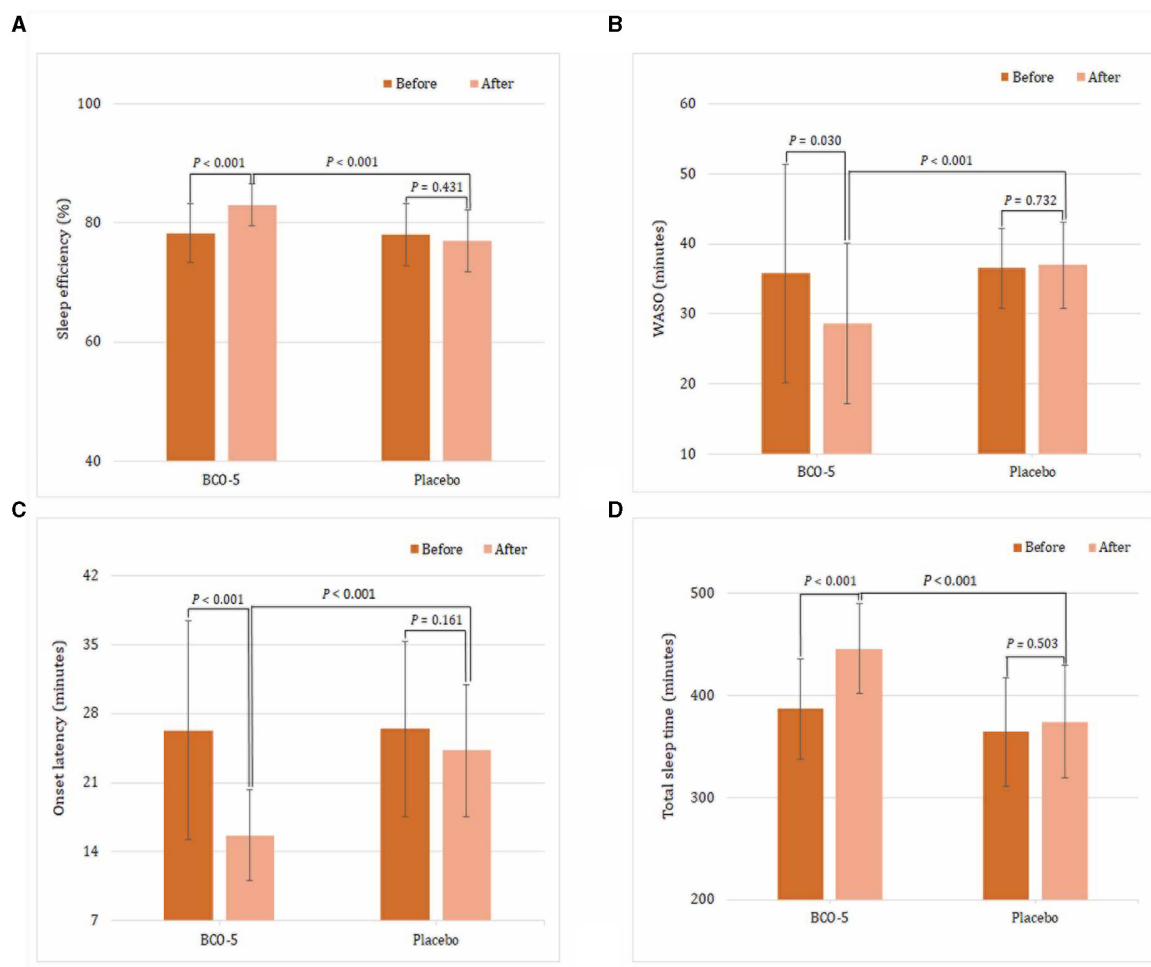

by Mohan, M. E., Mohan, M. C., Prabhakaran, P., Syam Das, S., Krishnakumar, I. M., and Baby Chakrapani, P. S. (2024). *Front. Nutr.* 10:1200118. doi: 10.3389/fnut.2023.1200118

In the published article, there was an error in [Figure 2A](#) as published. In [Figure 2A](#) the *P* value of the placebo group is wrongly written as  $P < 0.001$ . The corrected [Figure 2](#) and its caption appear below.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.

## Publisher's note
