## A Corrigendum on

### Fingolimod Augments Monomethylfumarate Killing of GBM Cells

by Dent, P., Booth, L., Roberts, J. L., Poklepovic, A., and Hancock, J. F. (2020). *Front. Oncol.* 10:22.  
doi: 10.3389/fonc.2020.00022

In the original article, there was a mistake in **Figure 7C** as published. By error, the image for FAS-L treated with MMF was included twice; once correctly and once as FAS-L treated with vehicle control. The corrected **Figure 7C** for FAS-L assessments appears below.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
