A Retraction of the Original Research Article

Elevated Expression Levels of PC3-Secreted Microprotein (PSMP) in Prostate Cancer Associated With Increased Xenograft Growth and Modification of Immune-Related Microenvironment

By Pei X, Zheng D, She S, Fang Z, Zhang S, Hu H, Xu K and Wang Y (2019). *Front. Oncol.* 9:724. doi: 10.3389/fonc.2019.00724

Following publication, concerns were raised regarding the duplication of the data presented in panels B and C of Figure 7 (*Frontiers in Oncology*, August 2019) and in panels A and B of Figure 7 in one of the author's previous publications (*J. Immunol.* 2014 Feb 15;192(4):1878-86. doi: 10.4049/jimmunol.1300758). The authors failed to provide a satisfactory explanation.

This retraction was approved by the Chief Editors of *Frontiers in Oncology*.

The authors disagree with the retraction.
