A Corrigendum on

Simultaneous Integrated Boost Intensity-Modulated Radiation Therapy Can Benefit the Locally Advanced Rectal Cancer Patients With Clinically Positive Lateral Pelvic Lymph Node

By Li S, Zhang Y, Yu Y, Zhu X, Geng J, Teng H, Wang Z, Sun T, Wang L, Wang H, Li Y, Wu A, Cai Y and Wang W (2021). *Front. Oncol.* 10:627572. doi: 10.3389/fonc.2020.627572

In the original article, there was a mistake in the legend for **Figure 1** and as published.

The **Figure 1D** should be an increasing curve, consistent with **Figure 1C**. The data was correct, and the error occurred when choosing the curve. The correct legend appears below.

In the original article, there was a mistake in the legend for **Figure 2** as published. The **Figure 2** is same as **Figure 1**, which is inconsistent with the manuscript at the time of submission. The correct legend appears below.

The authors apologize for these errors and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
