gastrointestinal stromal tumor, R1 margin, Imatinib, prognosis, meta-analysis

A Corrigendum on

Comparison of prognosis between microscopically positive and negative surgical margins for primary gastrointestinal stromal tumors: A systematic review and meta-analysis.

By Liu Z, Zhang Y, Yin H, Geng X, Li S, Zhao J, Zeng Z, Ye X, Yu J, Feng F, Kang W (2022) *Front. Oncol.* 12:679115. doi: 10.3389/fonc.2022.679115

Incorrect Affiliation

In the published article, there was an error in affiliation 1. Instead of “Chinese Academy of Medical Sciences & Peking Union Medical College, Beijing, China,” it should be deleted.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
