KEYWORDS

bladder cancer, robot-assisted radical cystectomy (RARC), intracorporeal urinary diversion, pentapecta, learning curve

A Corrigendum on

[The learning curve for robot-assisted radical cystectomy with total intracorporeal urinary diversion based on radical cystectomy pentapecta](#)

by Noh TI, Shim JS, Kang SG, Cheon J, Pyun JH and Kang SH. (2022) *Front. Oncol.* 12:975444.
doi: 10.3389/fonc.2022.975444

Incorrect Affiliation

In the published article, there was an error in affiliation 2. Instead of “Department of Urology, Sungkyunkwan University School of Medicine, Seoul, South Korea”, it should be “Department of Urology, Kangbuk Samsung Hospital, Sungkyunkwan University School of Medicine, Seoul, South Korea.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.

Conflict of interest

The authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.
