Retraction: OTUB2 facilitates tumorigenesis of gastric cancer through promoting KDM1A-mediated stem cell-like properties

Frontiers Editorial Office*

A Retraction of the Original Research Article

[OTUB2 facilitates tumorigenesis of gastric cancer through promoting KDM1A-mediated stem cell-like properties](#)

By Liu G, Guo W, Qin J and Lin Z (2021) *Front. Oncol.* 11:711735. doi: 10.3389/fonc.2021.711735

The journal retracts the September 27, 2021 article cited above.

Following publication, concerns were raised regarding the integrity of the images in the published figures. The authors failed to provide the raw data or a satisfactory explanation during the investigation, which was conducted in accordance with Frontiers' policies. Given the concerns about the validity of the data, and the lack of raw data, the editors no longer have confidence in the findings presented in the article.

This retraction was approved by the Chief Editors of Frontiers in Oncology and the Chief Executive Editor of Frontiers.

The authors agree with this retraction.
