In the published article, there was a mistake in the Funding statement. The funding statement previously stated “This work was supported by the Key Projects of Medical Science Research in Hebei Province (2023079)”. The correct statement is “**This work was supported by the Key Projects of Medical Science Research of Hebei Province (20230795).**”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
