KEYWORDS

circular RNAs, hepatocellular carcinoma, functions, implications, drug resistance, epigenetic modifications

A Corrigendum on

Review of novel functions and implications of circular RNAs in hepatocellular carcinoma

By Liu Z, Yang F, Xiao Z and Liu Y (2023) *Front. Oncol.* 13:1093063. doi: 10.3389/fonc.2023.1093063.

Incorrect Funding

In the published article, there was an error in the Funding statement. The funding statement for the National Natural Science Foundation of China was incorrectly displayed as “82104772 and 82205021”. The correct Funding statement appears below.

Funding

The authors wish to acknowledge the financial support from the National Natural Science Foundation of China (Grant Nos: 82104772 and 82205208) and the Doctoral Start-up Fund of Henan University of Chinese Medicine (No: 00104311).

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
