A Corrigendum on

Cardiac infarction caused by PD-1 inhibitor during small cell neuroendocrine carcinoma of the ureter treatment: a case report

by Li X, Wen J, Li H, Huang Y and Zhou H (2023). *Front. Oncol.* 13:1114397.
doi: 10.3389/fonc.2023.1114397

In the published article, there was an error in [Figure 3G](#) as published. We used the wrong image in [Figure 3G](#) which is duplicated with [Figure 3F](#). The corrected [Figure 3](#) and its caption “Immunohistochemical results (400×). (A) Hematoxylin and eosin-stained section result; (B) CD56 staining specific for neuroendocrine differentiation; (C) CK-L staining specific for neuroendocrine differentiation; (D) CK-pan staining specific for neuroendocrine differentiation; (E) GATA-3 staining specific for neuroendocrine differentiation; (F) Ki-67 staining specific for neuroendocrine differentiation; (G) Syn staining specific for neuroendocrine differentiation” appear below.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
