breast neoplasms, long non-coding RNAs, non-coding RNAs, precision medicine, radioresistance, radiosensitivity, radiotherapy, genomics

A Corrigendum on:

Radiotherapy and breast cancer: finally, an lncRNA perspective on radiosensitivity and radioresistance

By Yazarlou F, Martinez I and Lipovich L (2024). *Front. Oncol.* 14:1437542. doi: 10.3389/fonc.2024.1437542

In the published article, there was an error regarding the affiliations for Leonard Lipovich. As well as having affiliations 3, 4, 5, they should also have another two affiliations. The correct affiliation list for Leonard Lipovich after revision appears below:

³Department of Biology, College of Science, Mathematics, and Technology, Wenzhou-Kean University, Wenzhou, China

⁴Wenzhou Municipal Key Laboratory for Applied Biomedical and Biopharmaceutical Informatics, Wenzhou-Kean University, Wenzhou, China

⁵Zhejiang Bioinformatics International Science and Technology Cooperation Center, Wenzhou-Kean University, Wenzhou, China

⁶Shenzhen Huayuan Biological Science Research Institute, Shenzhen Huayuan Biotechnology Co. Ltd., Shenzhen, China

⁷Center for Molecular Medicine and Genetics, School of Medicine, Wayne State University, Detroit, MI, United States

In the published article, there was an omission in the **Funding** statement. Leonard Lipovich, PhD, was funded by the Wenzhou-Kean University faculty start-up research grant, the Wenzhou Municipal Key Laboratory for Applied Biomedical and the Biopharmaceutical Informatics (WB20211227000125), and the Zhejiang Bioinformatics International Science and Technology Cooperation Center at Wenzhou-Kean University (WB20210429000008). The correct **Funding** statement appears below.

Funding

The author(s) declare financial support was received for the research, authorship, and/or publication of this article. Leonard Lipovich, PhD, was funded by the Wenzhou-Kean University faculty start-up research grant, the Wenzhou Municipal Key Laboratory for Applied Biomedical and the Biopharmaceutical Informatics (WB20211227000125), and the Zhejiang Bioinformatics

International Science and Technology Cooperation Center at Wenzhou-Kean University (WB20210429000008). Ivan Martinez, PhD, was supported by Research Scholar Grants RSG-24-1039619-01-RMC and DOI 1039619 from the American Cancer Society.

The authors apologize for these errors and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
