palliative care, China, surveys and questionnaires, pain management, health personnel

An erratum on

Knowledge, attitudes, and current practices toward lung cancer palliative care management in China: a national survey

By Chen M, Hui S, Huang Y, Yu H, Yang H, Yang L, Tian L and Wang S (2024). *Front. Oncol.* 14:1382496. doi: 10.3389/fonc.2024.1382496

Due to a production error, there was an error in the footnote in the list of authors. Instead of “[†]These authors have contributed equally to this work” being applied to the second and the third authors, the statement should read “[†]These authors have contributed equally to this work and share first authorship” and should be applied to the first three authors. The publisher apologizes for this mistake.
