## A Corrigendum on

### Increased Appetite Plays a Key Role in Olanzapine-Induced Weight Gain in First-Episode Schizophrenia Patients

By Huang J, Hei G-R, Yang Y, Liu C-C, Xiao J-M, Long Y-J, Peng X-J, Yang Y, Zhao J-P and Wu R-R (2020) *Increased Appetite Plays a Key Role in Olanzapine-Induced Weight Gain in First-Episode Schizophrenia Patients*. *Front. Pharmacol.* 11:739. doi: 10.3389/fphar.2020.00739

There is an error in the article title. Instead of *Increased Appetite Plays a Key Role in Olanzapine-Induced Weight Gain in*, the title should be *Increased Appetite Plays a Key Role in Olanzapine-Induced Weight Gain in First-Episode Schizophrenia Patients*.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
