A Corrigendum on

Dose Dependent Antimicrobial Cellular Cytotoxicity—Implications for *ex vivo* Diagnostics
by Copaescu, A., Choshi, P., Pedretti, S., Mouhtouris, E., Peter, J., and Trubiano, J. A. (2021). *Front. Pharmacol.* 12:640012. doi: 10.3389/fphar.2021.640012

In the original article, we mistakenly omitted a statement from the Funding section. The statement reads as follows: “JP receives financial support from National Institutes of Health, award K43TW011178-02; the EDCTP2 programme supported by the European Union, grant number TMA2017SF-1981 and the South African National Research Foundation (NRF). PC receives a PhD fellowship from the Fogarty HATTP program, funded by the National Institutes of Health, award D43 TW010559-01”.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
