A Corrigendum on

[Apolipoprotein A-I attenuates peritoneal fibrosis associated with peritoneal dialysis by inhibiting oxidative stress and inflammation](https://doi.org/10.3389/fphar.2023.1106339)

by Lu J, Gao J, Sun J, Wang H, Sun H, Huang Q, Zhang Y and Zhong S (2023). *Front. Pharmacol.* 14:1106339. doi: 10.3389/fphar.2023.1106339

In the published article, there was an error in the **Funding** statement. The funding details for “Jinan Science and Technology Development Plan - Clinical Medicine Technology Innovation Plan (No. 202225049)” were erroneously omitted. The correct **Funding** statement appears below.

Funding

The author(s) declare that financial support was received for the research, authorship, and/or publication of this article. This research was funded by National Science Foundation for Young Scholars of China (Grant Nos 81500584 and 81200530), Youth Science Foundation of Shandong First Medical University (Shandong Academy of Medical Sciences) (No. 202201-062), the Science and Technology Development Plan Program of Medicine and Health of Shandong Province (No. 202103050761) and Jinan Science and Technology Development Plan - Clinical Medicine Technology Innovation Plan (No. 202225049).

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
