Retraction: Genetic algorithm to optimize the design of high temperature protective clothing based on BP neural network

Frontiers Editorial Office*

A Retraction of the Brief Research Report Article

Genetic algorithm to optimize the design of high temperature protective clothing based on BP neural network

by Xu F, Mo L-Y, Chen H and Zhu J-M (2021). *Front. Phys.* 9:600564. doi: 10.3389/fphy.2021.600564

The journal retracts the 2021 article cited above.

Following publication, concerns were raised regarding the scientific validity of the article. An investigation was conducted in accordance with Frontiers' policies. It was found that the complaints were valid and that the article does not meet the standards of scientific soundness for Frontiers in Physics; therefore, the article has been retracted.

This retraction was approved by the Chief Editors of Frontiers in Physics and the Chief Executive Editor of Frontiers. The authors have not responded to correspondence regarding this retraction.
