A Corrigendum on

The Sweet and Salty Dietary Face of Hypertension and Cardiovascular Disease in Lebanon by Labban M, Itani MM, Maaliki D, Nasreddine L and Itani HA (2022). *Front. Physiol.* 12:802132. doi: 10.3389/fphys.2021.802132

“Zeina Radwan” was not included as an author in the published article. The corrected **Author Contributions** Statement appears below:

“ML, MI, DM, ZR, LN, and HI contributed to the writing of the manuscript. All authors contributed to the article and approved the submitted version.”

Furthermore, **Affiliation 1** was listed incorrectly as Balamand. This has been corrected as the “University of Balamand”.

The authors apologize for these errors and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.

Publisher’s Note: All claims expressed in this article are solely those of the authors and do not necessarily represent those of their affiliated organizations, or those of the publisher, the editors and the reviewers. Any product that may be evaluated in this article, or claim that may be made by its manufacturer, is not guaranteed or endorsed by the publisher.
