# Corrigendum: A review of healthy and fibrotic myocardium microstructure modeling and corresponding intracardiac electrograms

Jorge Sánchez\* and Axel Loewe

Institute of Biomedical Engineering, Karlsruhe Institute of Technology (KIT), Karlsruhe, Germany

## KEYWORDS

cardiac modeling, fibrosis, electrogram, multiscale, microstructure

## A Corrigendum on

### A review of healthy and fibrotic myocardium microstructure modeling and corresponding intracardiac electrograms

by Sánchez J and Loewe A (2022). *Front. Physiol.* 13:908069. doi: 10.3389/fphys.2022.908069

In the published article, there was an error in **Figure 1** as published. The colors that represent the extracellular field did not represent the correct direction of the field. The corrected **Figure 1** and its caption appear below.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
