A Corrigendum on

Molecular Markers associated to two non-allelic genic male sterility genes in peppers (*Capsicum annuum* L.)

by Naresh P, Lin S-w, Lin C-y, Wang Y-w, Schafleitner R, Kilian A and Kumar S (2018) *Front. Plant Sci.* 9:1343. doi: 10.3389/fpls.2018.01343

In the published article, there was an error in **Table 2** Primer sequences and amplification profile of markers for *ms3* and *ms_w* genes in peppers as published. The sequence (forward and reverse primer) of marker SPGMS1DCAPS was incorrectly published. The corrected **Table 2** Primer sequences and amplification profile of markers for *ms3* and *ms_w* genes in peppers appears below.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
