A Corrigendum on [Beyond negativity? A laboratory study on emotional responses to populist strategies on social media](#)

by Lindholm, J., Eklund, J., Strandberg, K., Carlson, T., and Andersson, S. (2024). *Front. Polit. Sci.* 6:1415403. doi: 10.3389/fpos.2024.1415403

In the published article, there was an error. In two places in the article, there was information removed for review that was not reinserted for publication.

A correction has been made to **Research design**, paragraph 2. This paragraph previously stated:

“The study design, hypotheses, and research questions, and the planned analyses were preregistered on the Open Science Framework (OSF) webpage (information removed during peer-review process) before data collection begun. Moreover, the OSF page contains a Supplementary material with detailed information about the measurements, the coding instructions, information about deviations from the pre-registration plan, and other relevant information for reproduction of the study. We adhered to the ethical evaluation procedure established by the Research Ethics Committee at (information removed during peer-review process).”

The corrected paragraph appears below:

“The study design, hypotheses, and research questions, and the planned analyses were preregistered on the Open Science Framework (OSF) (<https://doi.org/10.17605/OSF.IO/GBMQY>) before data collection begun. Moreover, the OSF page contains a Supplementary material with detailed information about the measurements, the coding instructions, information about deviations from the pre-registration plan, and other relevant information for reproduction of the study. We adhered to the ethical evaluation procedure established by the Research Ethics Committee at Åbo Akademi University.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
