A Corrigendum on

Abilities and Disabilities—Applying Machine Learning to Disentangle the Role of Intelligence in Diagnosing Autism Spectrum Disorders

by Wolff, N., Eberlein, M., Stroth, S., Poustka, L., Roepke, S., Kamp-Becker, I., and Roessner, V. (2022). *Front. Psychiatry* 13:826043. doi: 10.3389/fpsy.2022.826043

In the published article (doi: 10.3389/fpsy.2022.826043), there was an error in affiliations 1 and 2.

Instead of “Department of Child and Adolescent Psychiatry, Medical Faculty of the Technical University (TU) Dresden, Dresden, Germany” it should be “Department of Child and Adolescent Psychiatry and Psychotherapy, Faculty of Medicine, Technische Universität Dresden, Dresden, Germany.”

Instead of “Institute of Circuits and Systems, Faculty of Electrical and Computer Engineering Dresden, Technical University (TU) Dresden, Dresden, Germany” it should be “Institute of Circuits and Systems, Faculty of Electrical and Computer Engineering, Technische Universität Dresden, Dresden, Germany.”

The authors apologize for these errors and state that they do not change the scientific conclusions of the article in any way. The original article has been updated.
