persistence, body image, body mass index, weight stigma, stress, cortisol, dehydroepiandrosterone, temperament

A Corrigendum on

Body image is associated with persistence. A study of the role of weight-related stigma

by Styk W, Wojtowicz E, Glibowski P, Iłowiecka K, Jędrzysek-Geisler A and Zmorzyński S (2024). *Front. Psychiatry*. 15:1464939. doi: 10.3389/fpsy.2024.1464939

In the published article, there was an error in affiliation 4. Instead of “Department of Food and Nutrition, Medical University of Lublin, Lublin, Poland”, it should be “Nutrition Clinic, Department of Clinical Dietetics Medical University of Lublin, Lublin, Poland”.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
