A Corrigendum on

Poor Motor Performance – Do Peers Matter? Examining the Role of Peer Relations in the Context of the Environmental Stress Hypothesis
by Gasser-Haas, O., Sticca, F., and Wustmann Seiler, C. (2020). Front. Psychol. 11:498. doi: 10.3389/fpsyg.2020.00498

In the original article, there was a mistake in **Figure 3** as published. Two numbers in the figure, −0.44 and 0.04, are incorrect. The corrected **Figure 3**, with the corrected numbers −0.42 and 0.06, appears below.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
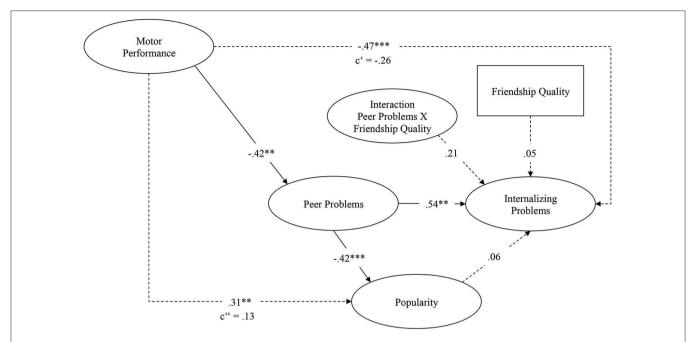

FIGURE 3 | Standardized results of the structural equation model. Model fit (χ^2 = 160.52; df = 147; CFI = 0.97; RMSEA = 0.02; SRMR = 0.05). *p < 0.05; **p < 0.01; ***p < 0.001.
