A corrigendum on

The negative interactive effects of nostalgia and loneliness on affect in daily life

by Newman DB and Sachs ME (2020). *Front. Psychol.* 11:2185.
doi: 10.3389/fpsyg.2020.02185

In the published article, a citation for Newman et al. (2020a) was missing. The citation has now been inserted in **Methods**, “*Participants and Procedure*,” paragraph 3 and should read:

“Some of the results we report here are secondary analyses from published data that was used for different purposes than the present paper (Newman et al., 2020a,b).”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
