A Corrigendum on

Do Chinese children need parental supervision to manage their out-of-school visual art activities and academic work time?

by Tadesse, E., Khalid, S., Gao, C., and Legese, M. A. (2022). *Front. Psychol.* 13:987644. doi: 10.3389/fpsyg.2022.987644

In the published article, there was an error in the correspondence details. Instead of author Endale Tadesse, the corresponding author should be Chunhai Gao.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
