In the published article, there was a mistake in the author list as published. The author “Guangming Li” was not included in the published manuscript. The correct author list should be “Guangming Li¹, Xianghua Wu¹, Chao Yuan².”

In the published article, there was also a mistake in the Author Contributions statement. The contribution of Guangming Li was missing. The revised statement appears below:

GL: guidance on topic selection, article framework formulation, article writing guidance, and article revision. XW: concept proposal and original paper writing. CY: analyzed and interpreted the data and modified paper. All authors contributed to the article and approved the submitted version.

The authors apologize for these errors and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
