<sup>1</sup>Graduate School of Psychology, Mejiro University, Tokyo, Japan, <sup>2</sup>National Center for Cognitive Behavior Therapy and Research, National Center of Neurology and Psychiatry, Tokyo, Japan, <sup>3</sup>School of Health Sciences, University of Nottingham, Nottingham, United Kingdom

## KEYWORDS

inferiority, mental health—related quality of life, well-being, income, social safeness, social comparison

## A corrigendum on

### Moderating effects of striving to avoid inferiority on income and mental health

by Nagae, A., Asano, K., and Kotera, Y. (2022). *Front. Psychol.* 13:838991.  
doi: 10.3389/fpsyg.2022.838991

In the published article, there was an error in the affiliations as published. Affiliation 1 was written as “National Center for Cognitive Behavior Therapy and Research, National Center of Neurology and Psychiatry, Tokyo, Japan” but should be “Graduate School of Psychology, Mejiro University, Tokyo, Japan.” Affiliation 2 was written as “Department of Psychology, Mejiro University, Tokyo, Japan” but should be “National Center for Cognitive Behavior Therapy and Research, National Center of Neurology and Psychiatry, Tokyo, Japan.”

In addition, there was an error in the affiliations for Asa Nagae. They were originally written as “Asa Nagae1” but should be “Asa Nagae<sup>1,2</sup>.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
