In the published article, there was an error in the Funding statement. The statement previously said: “This work was conducted as part of the multinational, mixed-method “Grieg” project, which is supported by a European Economic Area grant (award number 103194100).” The corrected Funding statement appears below.

## Funding

This work was conducted as part of the multinational, mixed-method Grieg project, which is supported by a European Economic Area grant (project number 2019/34/H/HS6/00597).

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
