A Corrigendum on Social cognition in adult ADHD: a systematic review

by Morellini, L., Ceroni, M., Rossi, S., Zerboni, G., Rege-Colet, L., Biglia, E., Morese, R., and Sacco, L. (2022). *Front. Psychol.* 13:940445. doi: 10.3389/fpsyg.2022.940445

In the published article, there was an error. The OSF reference was incorrectly written. A correction has been made to **Methods**, This sentence previously stated:

“The present systematic was conducted according to the Preferred Reporting Items for Systematic Reviews and Meta-Analyses (PRISMA, Moher et al., 2009). The method is currently available in the Open Science Framework (OSF, <https://osf.io/hn7mc/>).”

The correct sentence appears below:

“The present systematic was conducted according to the Preferred Reporting Items for Systematic Reviews and Meta-Analyses (PRISMA, Moher et al., 2009).”

The correspondence email address for author Lucia Morellini has also been updated. Instead of ‘lucia.morellini@usi.ch’, it should be ‘lucia.morellini@eoc.ch’.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
