In the published article, there was an error in the legends for **Tables 4, 5** as published. The words “after stepwise deletion” were included incorrectly. The corrected legends appear below.

Table 4 Results of the multilevel regression analysis showing the relationship between TREO dimensions and the relative frequencies of CPS categories.

Table 5 Results of the multilevel regression analysis showing the relationship between TREO dimensions and the relative frequencies of the selected LIWC categories.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
