A Corrigendum on

Validation of the factor structure of the Experiences Questionnaire using Exploratory Graph Analysis

by Rader, L., Druke, B., Forster, S. D., Gauggel, S., and Mainz, V. (2023). *Front. Psychol.* 14:1250802. doi: 10.3389/fpsyg.2023.1250802

Due to an oversight, in the original article, there was a mistake in the **Author contributions** statement and LR, BD, SF, and VM were accidentally credited with the preparation of the first draft of the manuscript. The corrected Author contributions statement appears below:

Author contributions

“LR, BD, SF, SG, and VM conceptualized and designed the study. LR collected and analyzed the data and wrote the original draft. BD, SF, VM, and SG reviewed and edited the manuscript. All authors reviewed the results, contributed to the article, and approved the submitted version.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
