A Corrigendum on

Understanding Adolescents' Perceptions of Diarrhea: A Formative Research Study of a Visual Scale to Measure Self-Reported Diarrhea in Low-Resource Settings

by Gold-Watts, A., Aamodt, G., Gandhimathi, S., Sudha, R., and Bastien, S. (2021). *Front. Public Health* 9:561367. doi: 10.3389/fpubh.2021.561367

Text Correction

In the original article, there was an error. The names are listed incorrectly in the acknowledgments section. It currently reads, 'We would like to acknowledge the contributions and support of teachers, staff, and students who participated and contributed to this research project. In addition, we would like to thank the staff at the Sri Narayani Hospital and Research Centre, [redacted for peer review], and [redacted for peer review].'

A correction has been made to Acknowledgments, paragraph 1:

We would like to acknowledge the contributions and support of teachers, staff, and students who participated and contributed to this research project. In addition, we would like to thank the staff at the Sri Narayani Hospital and Research Centre, Dr. Balaji, Mr. Suresh Babu, Mr. Ramesh Shanmugasundaram, and Mrs. Aruna Ganesan.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
