A corrigendum on

What “family affair?” domestic violence awareness in China

by Su, Z., McDonnell, D., Cheshmehzangi, A., Ahmad, J., Chen, H., Šegalo, S., and Cai, Y. (2022). *Front. Public Health* 10:795841. doi: 10.3389/fpubh.2022.795841

In the published article, there were errors in the affiliations of Zhaohui Su and Dean McDonnell.

Instead of “Center on Smart and Connected Health Technologies, Mays Cancer Center, School of Nursing, UT Health San Antonio, San Antonio, TX, United States,” the affiliation of Zhaohui Su should be “School of Public Health, Institute for Human Rights, Southeast University, Nanjing, China.”

There was an error in affiliation 2. Instead of “Institute of Technology Carlow” it should read “South East Technological University.” The full corrected affiliation of Dean McDonnell is “Department of Humanities, South East Technological University, Carlow, Ireland.”

The authors apologize for these errors and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
